The Tidy Towns results. (See page 8)

The results of the National Tidy Towns Competition were announced at the Helix in D.C.U. on the afternoon of 26th September. Four representatives were invited from each of the towns and villages participating across the country, a total of 859 centres. There was an increase of 39 centres on last year.

The results for Clane are given on page 8, followed by the adjudicator's comments. The date of inspection was 8th July. In brief, we advanced 4 points on last year and retained our Bronze Medal with €400. We now have 299 points. Clane are still leaders of Category E (5,001-10,000) in Kildare, ahead of Athy (278 points), Kildcock (264 points) and Kildare (263 points).

2016 completes 43 years of participation by Clane Community Council in the National Tidy Towns Competition, having commenced in 1973, and the Tidy Towns Committee being a Sub-committee of the Community Council. That point having been made, it must be said that a number of really committed members focus their commitment to community participation principally on Tidy Towns. Clane has been involved in Tidy Towns going back into the 60s when the I.C.A. started the ball rolling.

It is encouraging to see the commitment and enthusiasm for Tidy Towns continuing and gaining momentum as it goes. This is re-

flected in the positive comments and appreciation of the judges. The quality of life is strongly tied in with the quality of the environment. Nothing pulls society down more than a slum environment, while the good environment stimulates and uplifts. Every input and idea is very welcome.

CLANE COMMUNITY COUNCIL GOLF CLASSIC 2016

We could have been blessed with a nicer day, that's for sure. Instead, Friday 9th September was probably the worst day of the year. A gale blew and the rain poured down non-stop. Until the competition was over that is, then around 6pm the wind abated and the sun shone. Great.

We decided to go ahead with the Classic but to judge the competition over 12 holes even though teams were welcome to play the 18 holes. No-one played 18. Some didn't turn up, some gave up after 5 or 9 holes, but most played 12 and were then glad to return to the warmth of a welcoming Millicent clubhouse and a chicken curry!

Thanks to the teams that turned out, the teams that didn't but paid anyway and all our various sponsors. Congratulations to the prize-winners, with Dan Doolan's team of himself, Brian Manning and Pat Costelloe turning in a fine score on the day and winning lovely hampers for themselves. Second was Clane Project Centre team of Mick Kelleher, Jim Craughwell and Eddie Trent, just a point behind. 3rd was Eamonn Lynch's team of himself, Kit Grogan and John O'Keefe with Tom Cleary's team of Willie McNellis, Pat Brown and Peter Lawlor 4th. Tom's team missed the prize giving, having turned up at Millicent instead of Manzor's, puzzled that it was all in darkness! Nearest

the Pin was Phil McCormack and David Cafferty had the longest drive.

Other teams playing were: Larchfield Park, Mike Beetlestone, Clane Mens Golf Club, Andy Sharkey, Seamus Manzor, Jack Kinsella, Jas. Lawless T.D, Clane Parish, Oliver Reilly, Liam Young, Des Drumm, Des Marron, Q & M Menswear, Alan Condrón's Supervalu, Phil McCormack, Pauric Jordan, Sean & Carmel Kealy.

Prizes courtesy of Larchfield Park Nursing Home (1st& 2nd); 3rd Bombay Bistro; 4th Millicent Golf Club. Longest Drive: Campbell's Tyres; Nearest the Pin: Des & Jeanette Drumm

Goodie Bags (and they were generous!): Doolan's Londis

Hole Sponsors: Larchfield Park, Hughes Pharmacy, Des & Jeanette Drumm, Pat Fadden, Ann Fadden, Gerry Brady (x 2), Jas Wall Solicitors, Diarmuid & Terri Coonan, Zest, Glanbia, Dr. F.X. Flanagan, Antea-Que Coffee Shop, Tom Gough Butchers, Centra Clane, McCormack Insurances, AIB, Mick Hennessy, Clancy's Pharmacy, Wood Medical Centre.

Many thanks to everyone involved and all those who supported us whether by teams, holes, donations prizes and particularly those who braved the elements on the day. The biggest thanks go to Nellie Dillon- Forde and **Larchfield Park Nursing Home**, once again the main sponsor of the event. Also to the committee of Des Marron, Jack Kinsella and Tom Cleary who worked hard to get teams and holes sponsors and organise the day- but obviously had no influence on the weather!

EVERGREENS

Awesome Autumn with its fruits and mellow fruitfulness and rustic shades and hues is reaching the last month. Anyway we Evergreens are back after our long Summer break feeling, I might add, somewhat refreshed and rejuvenated and looking forward to new beginnings, challenges and activities for the coming year. October as we all know is the month of the Rosary -the feastday being the 7th October. Fr. Gabriel Harty, O.P., is

Known as the Rosary priest and his article each week in the "Open Door" is most inspiring.

We Evergreens are down to business straight away. On 4th September we had our A.G.M. There was a great attendance at this meeting, which went off very well apart from a few arguments here and there like you'd get at any meeting., but soon all was rectified and everything ran very smoothly. Our excellent Chairperson Sally addressed the meeting and we had a minute's silence for John Noonan R.I.P. He was a gentleman to his fingertips and, as you all know, a renowned historian, story teller and raconteur. Both our Secretary and Maura our Treasurer read out very detailed, accurate and concise accounts of the past year. They do a very good job and so do P.J. and Sally in looking after us all. All their work and kindness is very much appreciated. A big thank-you to all who subscribed to our annual collection, which was held on August 21st -your ongoing generosity is overwhelming. Céad Míle Buíochas. The following officers were elected for the coming year:-

Chairperson Sally Sheridan

Vice " Mary Kelly

Secretary Ita Killaly

Treasurer Maura McCormack

P.R.O. Maureen Spain

Committee:-

Mary Smyth, Kevin Cribben, Brigid Bergin, Tom Byrne, Nancy Buckley, Anne Fusco.

Yes we Evergreens are young at heart and, as I always say, its not the years in our life it's the life in our years and we're not as yet past the 'sell by date' -as least we don't feel it as yet.

So till next month -Slán tamall beag agus ráth Dé oraibh go léir agus fé bhrat Mhuire dhíbh comh mhaith.

MAINHAM CEMETERY MASS

The 37th Annual Mass will be celebrated in Mainham Cemetery on **Sunday, 6 November 2016 at 3 p.m.**

The Cemetery Committee – all volunteers -- has been busy throughout the year with its maintenance programme which has involved, among other tasks, mowing the five acres of the cemetery on twenty occasions to date with another four or five mows due before the end of the grass growing season.

Clipping of the extensive hedging adjoining the cemetery and spraying where needed are among the other jobs which keep the resting place of our loved ones in pristine condition.

The Committee has also kept an eye out for the graves of those who have no one belonging to them and has ensured that no grave, however old, has been overlooked in terms of maintenance.

Since last November, and to date, twenty-six people have been laid to rest in Mainham cemetery,

May they rest in peace.

Space for parking in the new section of the cemetery is limited so we request that only cars carrying the very elderly, invalids, and small children, drive into the cemetery. All other cars coming from the Clane direction are asked to turn right at the former Royal Oak premises and then left into Tom McCreery's field. Cars coming from the Rathcoffey direction please drive into the parking field opposite Cribbins. Volunteer stewards will be there to help.

Where-ever you park please ensure that you lock your car and do not leave handbags or valuables exposed. We thank all motorists in anticipation of their co-operation. Please come early. We will pray for a fine day

ISPCC ABSAIL

Home to the headquarters of the GAA, Croke Park is the 3rd largest stadium in Europe. The iconic grounds present a unique venue for the ISPCC Absail, which will take place on 15th and 16th October. Community Involvement & Planning / Rannpháirtíocht an Phobail & Pleanáil:

We welcome Clane to Tidy Towns competition 2016. As always, it was a joy to visit your vibrant town for the first time. You operate under the auspices of Clane Community Council. You have made great strides in the competition in recent years and we congratulate you on your achievements. Your clearly presented entry form made our adjudication job easier. The map with numbered projects was most helpful – perhaps you could list the numbered projects near the map so that we can see what is what without searching the entry form for each item. Your application also includes your updated Tidy Towns Plan 2014-2018. This is obviously giving you an organised and structured approach to dealing with further improvements to Clane. The adjudicator wouldn't be looking to your Plan for recent or ongoing achievements so do make sure anything under this heading is in your main entry form. Your public relations campaign is keeping your message out there in the community. Your active committee of 16 members has the support of about 10 volunteers

to help out for specific tasks. Your Tus Scheme is of valuable assistance also. You have strong links with outside agencies such as Kildare County Council and National Parks & Wildlife Service. Your Schools Officer is ensuring that schools and youth groups are being encouraged to work with you on projects. You also enjoy the support of your local clubs and businesses.

Built Environment and Streetscape / An Timpallacht Thógtha agus Sráid-dreacha:

The Abbey is a stunning focal point to the town – the new signage makes the whole area more inviting. You are working hard to highlight your history and built heritage in an appropriate manner. You are fortunate to have the assistance of your Local History Group to assist in this regard. We are glad to hear that residents are closely engaging in the consultation process for the Clane Local Area Plan – many elements will tie in with Tidy Towns categories. Clane has some attractive shopfronts – your ‘Best Presented Premises’ Award is a good way of encouraging businesses to paint shopfronts and tidy up facades. It is good to hear that there has been a recent reduction in the number of unoccupied premises. Your engagement, follow-up and lobbying will have a positive effect with regard to your derelict properties. Do please keep us updated. Lidl was neat with good landscaping. The Parade Ring Pub looked very well - could the derelict house across the way be painted? We admired the ‘pop-up (?)’ Jones Bar with its lovely traditional shopfront. Other shopfronts we admired included Tom Gough & Sons and P Wallace. Both Londis and B&K Gift & Home were neat. The proprietors of Jaz Manzor’s are commended for the excellence of both the building and landscaped car park. The KARE building is fresh with some colourful hanging baskets. Both Clane Jewellers and DNG were nicely presented. All was in good order at the Village Centre and St. Brigid’s N.S. (Old Convent School)

Landscaping and Open Spaces / Tírdhreachú agus Spásanna Oscailte:

The Abbey Community Centre is a real gem – you are right to have opened up the view here. The church grounds are nicely landscaped. The roadside planting in front of Hickeys (Centra) was admired. Clane has some small but attractive green areas such as that in front of the Abbey and opposite around the playground. Recent work to revamp the long bed at the latter area (alongside the Stream) is noted. Your efforts to choose low maintenance and insect friendly perennials are lauded. Use of bark mulch holds in the moisture for longer. Maintenance of your attractive roundabouts is kindly sponsored by local businesses. You have also planted wildlife-friendly hedging between Alexandra Manor and the Nature Park. Your unsuccessful beech hedge (green area beside St. Brigid’s Terrace) was replaced in recent months. Ongoing planting of native trees is a worthwhile investment for the future. Giving a ‘tree for every baptism’ is a lovely gesture. Planters are well maintained and bring a splash of colour to key locations.

Wildlife, Habitats and Natural Amenities / Fíadhúlra, Gnáthóga agus Taitneamhachtaí Nádúrtha:

Recent habitat mapping in preparation for the Clane Local Area Plan was carried out by Kildare Co Co, with the local knowledge supplied by Tidy Towns. Your popular 'Wild About Clane' walks provide awareness raising as well as a social occasion for the community to get together. Signage at the Nature Park is somewhat hidden by branches so some attention is required here. Your efforts to sensitively conserve the Nancy's Lane area are commended. Your engagement with local schools on local biodiversity topics is also worthwhile – do let us know if schools are working on this flag and if you are partnering with them on a project. You have received expert advice in relation to attracting swifts to the Abbey Tower – do let us know of any success here. There is lots of local interest in constructing, installing and monitoring your nest boxes. We are impressed with the fact that you have your own beehives in the community and that you have been recently expanding this project. We note that you are keeping on top of your Himalayan Balsam through your summertime hand-removal. Well done. Ongoing bat monitoring is noted.

Sustainable Waste and Resource Management / Bainistiú Acmhainní agus Dramhaíola Inbhuanaithe:

Well done to the businesses that have succeeded in practically ridding Clane of plastic-bags. The schools are also commended for their efforts to reduce waste, water and energy – particularly Scoil Phadraig, where recently installed green flush system has significantly reduced the amount of water used for this purposes. Your Tidy Towns green waste is used locally as mulch. Other landscaping items are reused where possible. You are on the right track with this category. Visit www.localprevention.ie/tidytowns to see what initiatives other groups are implementing around the country. There may be an idea you could replicate in Clane. We look forward to hearing of further progress next year.

Tidiness and Litter Control / Slachtmhaireacht agus Rialú Bruscair:

Litter control was good in your busy town so well done to all involved. Your daily litter patrols and periodic larger scale clean ups are paying dividends. The approach roads are also part of your voluntary programme. School groups and clubs are happy to play their part in making their community cleaner and more attractive. Your awareness campaign in relation to dog fouling is noted as are your efforts to segregate your litter for recycling. Well done to all involved. There were a few instances of minor littering.

Generally Clane presents a very tidy appearance and air of pride about it. Attention to detail in the 'tidiness' category is noted in areas of clutter, in appropriate signage, redundant poles and graffiti. Weed control was generally good. The area to the side of Centra

could be screened off. Wire clutter at the NCB shop should be examined. Hughes Pharmacy has a neat appearance. A 'stop' sign near Jas Manzor's is bent.

Residential Streets & Housing Areas / Sráideanna Cónaithe & Ceantair Tithíochta:

Well done for your ongoing encouragement of your residents groups. Your Annual Best Kept Estates Competition is helping to strengthen participation and pride of place. Well done to the businesses who lend their support to this important initiative. Recent landscaping, clean ups and general improvements in residential areas are making Clane a more attractive place to live. We noted neat homes and gardens along approaches. Residential areas are maintained to a high standard. Flower displays at Abbey Park give a sense of pride. There is scope for more tree planting along the inside of the front boundary wall. We got lost in the large but neat Alexandra Walk – the riverside walkway is a fantastic amenity to have running along this stretch – we hope it is appreciated and used by residents.

Approach Roads, Streets & Lanes / Bóithre Isteach, Sráideanna & Lánaí:

You have done some good work under this category. Recent work on footpaths and road surfacing is noted. Tree planting and other landscaping will further enhance your approaches. The boundary wall at the Country Market needs repair. Road surfaces and footpaths were in good order. You are conscious to minimise signage clutter on your approach roads, in order to create a tidier impression. The hedge on the Sallins Rd is doing well. The new hedge planting to the rear of Alexandra Park was noted. We thought your lovely walks could be highlighted a bit more.

Concluding Remarks:

We are glad to hear that Tidy Towns has increased community spirit and participation for the benefit of all in Clane. Keep up the good work.

CLANE LOCAL HISTORY GROUP

A talk on "The Archaeology of the Franciscan Friary Clane" will be given by the renowned archaeologist Noel Dunne, who commissioned a geophysical survey of the Friary site on behalf of Kildare Co. Council in July 2015. Clane Local History Group are delighted that Noel has agreed to present the main findings from this report and their relationship to the remaining structures on the site.

The meeting will be held in our usual venue of the GAA premises on Prosperous Road on Wednesday October 19 at 8pm and was originally scheduled as the Group's contribution to Heritage Week in August this year. However, on that occasion the bad weather forced the cancellation of the out-door event. Noel has kindly agreed to present the findings as part of our usual monthly get-togethers at the GAA Centre as outlined. As usual the event is open to the public, free of charge and all are welcome.
