Dr. Ciara Murphy and Dr. Kevin Hargaden

Authors of: **Parish As Oasis: An Introduction to Practical Environmental Care**

A new book by Dr Kevin Hargaden and Dr Ciara Murphy of the Jesuit Centre for Faith and Justice offering accessible, challenging and practical ways to care for the environment.

This innovative and practical book reimagines the church as an oasis and includes 20 ‘experiments’ - examples of how our care for the environment can be implemented. By linking environmentalism with a theology of cultivation and care, Hargaden and Murphy demonstrate how our response to the climate crisis and to cultural changes can be interwoven.
