

EirGrid Kildare Meath Grid Upgrade -

Community Benefit Fund

EirGrid's Community Benefit Fund will provide **€4,610,000** in grants to local community groups, not-for-profit organisations and social enterprises that operate or service communities within 2km of this new electricity infrastructure to deliver projects that will create positive social and environmental impacts.

M-CO, who will be administering the fund, are inviting local community and voluntary groups, individuals and local stakeholders to take part in a consultation process to explore the needs and priorities of your local area to ensure that the Fund is designed for the local community, by the local community.

Help Shape its Impact!
